Fee - \$30 per Megalitre (GST Free)

NB – Applications close at 5pm on 26 February 2010

I hereby apply to Murrumbidgee Irrigation ACN 084 943 037 (MI) to purchase an advance on future General Security (GS) Water Allocation commencing 2010-11, of 2% of my/our GS Water Entitlements. I understand and accept that –

- The advance can be used on-farm and/or traded;
- The advance is repayable to MI, and must be fully repaid when future GS Announced Allocation commencing 2010-11 reaches 2%;
- At the end of the 2009-10 season, MI will either –
 - i) For shareholders with GS Water Entitlements only, use any balance in the Water Allocation Account above 30% to offset the advance; or
 - ii) For shareholders with both GS & High Security (HS) Water Entitlements, use any balance in the Water Allocation Account above 30% of the combined Water Entitlements to offset the advance.
- I/We can offset the advance from my/our carryover at the end of the 2009-10 season by advising MI in writing.
