

Dear Shareholder

2010/11 SEASON UPDATE SHED MEETINGS

You are invited to attend one of Murrumbidgee Irrigation’s season update ‘shed meetings’ taking place in September. The smaller and more informal meetings are a good opportunity to seek clarification on issues and ask questions on any topic, as well as to catch up with neighbours. Topics we will present on will include **season outlook, pricing, Basin Plan, new corporate plan, modernisation opportunities** as well as other issues of current interest. If there are any additional specific topics you would like to discuss, please advise me through the contacts below.

Hopefully one of the meeting times above will suit you in terms of time and location. We have tried to arrange several options in order to maximise attendance as we feel the information is of key importance for all customers at this time and with these prevailing drought conditions.

I look forward to catching up with you over the coming weeks. We will have a BBQ at each, therefore for catering and administration purposes, please RSVP to either Michelle Quinlivan or Kacey Johnston on 02 6962 0200 by Friday 10 September.

Yours Sincerely,

Brett Tucker
