

How to view 7 day order overview

Navigate to Home and view orders

The screenshot shows the MI Connect Home page. On the left sidebar, the 'Home' menu item is highlighted with a red box. A red arrow points from this box to the 'My Orders' calendar on the main page. The calendar shows orders for the next 7 days (Fri 3 to Thu 9). Orders are represented by colored blocks: purple for pending, blue for delivered, and red for waitlisted. The 'Usage by Property' chart shows used (green) and remaining (blue) water for properties 1000101 and 2162800. The 'Current Flow' section shows 0 ML/d for meters M1628G/1 and Y1A/1.

Click ? for order status key

The screenshot shows the MI Connect Home page. A red arrow points to a question mark icon in the top right corner of the 'My Orders' section. The rest of the page content is the same as in the previous screenshot.

Status key

The screenshot shows the MI Connect Home page. A red box highlights the order status key legend. The legend explains the colors used in the calendar:

- Pending - Order is scheduled for delivery in the future.
- Delivered - Order has already been delivered.
- Operating - Order is being delivered currently.
- Waitlisted - Order is waitlisted.

The rest of the page content is the same as in the previous screenshots.
