

I'm Bob Sjollema, I have nominated to be your Director on MI – A Class.

We have been farming citrus at Hanwood for the past 26 years, we now also have a wine grape farm at Yenda next to our Son's Wine grape farm.

My parents ran a citrus farm at Paynter Siding Narrandera while I ran a citrus farm down the road while at school and University.

I have the experience and determination to undertake the difficult and demanding task of being a good director on MI. Having being a director on the National Citrus Board and both President and treasurer on the local Griffith and District Citrus Growers Organisation

Have the experience in running a successful business (Pathology) in Griffith for 17 years with a staff of 20. The success of any business is customer service and good business sense.

What I would like to achieve as a Director.

Have MI engage more with shareholders either through the return of shed meetings or discussion groups - customer service is the face and contact point of the organisation.

Finding a way to return A – Class shareholders to 100% allocation not the current 95% which was not meant to be permanent.

Corporate governance needs to be of a high standard.

The current situation where general security water holders have such a low allocation in such a wet year shows how water rights can be slowly manipulated and taken away. This is an we need to constantly fight to prevent further erosion to either A or B class water holders.

I feel that I am the right person to represent the A-class shareholders on MI. I have a passion and a plan to see that all share holders have a voice.

VOTE 1

Robert Sjollema

I would appreciate your vote for nomination as an A – Class member director on MI.

All candidates must be numbered so **vote 1 to 5** other wise your vote will not be counted.

You can vote online or by hard copy –MI should have sent you a hard copy if you do not have an E-mail address or you can request MI to E-mail you a hard copy which you can print (it is ID numbered).

The hard copies then need to be placed in the ballot box at MI in either Griffith or Leeton.

Thankyou

Robert (Bob) Sjollema
