

## Customer quick contact register

We offer a free electronic messaging service via SMS and e-mail and/or fax to provide you with information that may be of importance to you. If you are a customer of MI and wish to register for this service, please contact us on (02) 6962 0200.

### SMS Service – sign up to receive notification of:

- the commencement and closure of company water delivery services
- annual allocation announcements from the NSW Office of Water
- access to supplementary water
- potential delivery constraints
- rules and contract updates
- meeting reminders

### E-mail and Fax Service – sign up to receive notification /distribution of:

- our monthly company newsletter featuring company news and announcements
- customer memos such as the commencement and closure of water delivery services, potential delivery constraints
- copies of company media releases such as opening of scholarship applications.

Please note that where the message is deemed by us to be critical to customer operations (for example in the case of water quality issue or a flooding event), we will aim to contact every affected customer directly by SMS regardless of Quick Contact Registration provided the customers has given us those details.
