# Application for Forfeiture of Corresponding Shares

In accordance with Rule 15 of MI's Constitution, it is a condition that a shareholder may not hold, by number, more shares than Corresponding Water Entitlements. Accordingly, if you hold more shares than corresponding water entitlements as a result of this transaction, MI requires you within 28 days to either:

- dispose of the number of shares held by you in excess of the number of Corresponding Water Entitlements held by you; or
- acquire additional Water Entitlements such that, after the acquisition, you hold a Corresponding Water Entitlement for every share.

If after the 28-day notice period, neither of the above have been satisfied, then MI may, by resolution of its directors, cause the forfeiture of those number of shares held in excess of the number of Corresponding Water Entitlements.

If you no longer hold any shares as a result of the forfeiture, then you will be removed from the Company's share register. In addition, if you only hold C class shares following the share forfeiture, then you will remain a shareholder of the Company but will be ineligible to vote at any meeting of the Company.

As a shareholder, you are entitled to waive the 28-day notice period and forfeit the corresponding shares effective immediately. You can do this by signing the below acknowledgement.

## IMPORTANT NOTICE

Please do not sign this acknowledgement if you intend to acquire a corresponding number of water entitlements or transfer the shares to another shareholder.

## Application for Immediate Forfeiture of Shares

By signing this document, I/We agree as follows:

- I/We have read and understood the above terms and conditions and the consequences of forfeiting these shares.
- I/We acknowledge that I have had the opportunity to receive independent legal advice in respect of the share forfeiture.
- I/We agree to waive the 28-day notice period and have my/our shares forfeited effective immediately.
