I hereby apply to Murrumbidgee Irrigation for an initial inspection to have my supply point made inoperative and/or have a locking device connected to my outlet/s on LHR _____ Outlet Number _____ for the up and coming Irrigation Season.

I understand this arrangement is only being approved for the current Irrigation Season and if approved I understand this will allow me the opportunity to apply to Murrumbidgee Irrigation for a Trade of Annual Allocation (Temporary Transfer of Water).

Before any works are to take place the proposed method to make the outlet inoperative must be approved by the Company. The operational integrity of the asset/works must not be altered unless approved by MI.

If it is later found the works do not comply with Murrumbidgee Irrigation standards; MI reserve the right to have the works repaired and all costs associated with these repairs will be borne by the customer.
