Baton change on MI Board

Nayce Dalton has been appointed as the new Chair of Murrumbidgee Irrigation (MI) by the MI Board, with outgoing Chair, Frank Sergi, officially handing over the reins last Friday.

Mr Dalton is the owner of a successful mixed farming business in Binya and has served in the role of Deputy Chair for the past 3 ½ years.

“Nayce has a solid understanding of local stakeholder issues and brings considerable expertise to the Chair’s role,” Mr Sergi said.

“It is this expertise, drive and commitment that will ensure we can continue to adapt to the new environment in which the water industry is operating.”

Mr Sergi has served on the MI Board for the past 6 years and was Chair for the past 3 ½ years. He will continue on the MI Board until his term expires at the AGM in November this year.

“I felt the time was right to step down as Chair, and wind down my responsibilities on the Board,” he said.

“I would like to thank Nayce, and my fellow Directors, for their dedication to the Company and support throughout my time as Chair.”

“MI is in great hands and I look forward to working with Nayce over the next few months to make sure his transition into the role of Chair is a smooth one.”

Mr Sergi was Chair throughout the most significant period of change in MI’s history, with nearly \$500 million worth of modernisation works undertaken, and a comprehensive review of the Company’s pricing.

Mr Dalton paid tribute to the role Mr Sergi played throughout this time.

“It has certainly been a challenging period, and Frank has done a fantastic job to guide the Company through it,” he said.

“His hard work will hold us in good stead for both the short and long term.”
