 - (2) in the opinion of the Company:

- (a) the Meter is measuring incorrectly, not operating properly or not operating;
- (b) water has been taken by, or delivered to, the Customer without having been ordered for delivery under the Documents; or
- (c) more water has been taken by, or delivered to, the Customer than the Customer has ordered under the Documents,

the Company may determine the volume of water taken by, or delivered to, the Customer (**Unmeasured Water**) using any reasonable means it considers fit. The Company's determination of the volume of Unmeasured Water will be taken to be the actual volume of Unmeasured Water. The Company must give notice to the Customer of its determination of the volume of Unmeasured Water.

9.4 The Customer has the right to appeal the Company's decision within 14 days of receiving the notice required by clause 9.3. Any appeal is to be given by way of Notice to the Company (setting out particulars of, reasons for and information in support of, the Customer's appeal). On receipt of any appeal in accordance with clause 9.4, the Company must:

- (1) examine and give due and proper consideration to the particulars, reasons and information set out in the notice of the appeal; and
- (2) within 28 days after receipt of the appeal, give the Customer notice of the Company's determination of that appeal, including reasons.

9.5 If the Customer's appeal is upheld, the Company must vary or amend its notice of determination of the volume of Unmeasured Water.

9.6 If the Company makes a determination under clause 9.3, or a varied or amended determination under clause 9.5, then, without limiting the Company's rights under clause 9.3:

- (1) the Company may debit a volume of Water Allocation from the Customer's Water Allocation Account equal to the volume of Unmeasured Water;
- (2) if the Customer has less Water Allocation in his, her or its Water Allocation Account than the volume of Unmeasured Water, the parties have rights and obligations as per clauses 5.3 and 5.4.

10 Drainage

10.1 The Customer may only discharge Drainage into the Company's Drainage Works in accordance with the conditions set out in a Rights of Access Certificate and in accordance with the Rules.

11 Charges

11.1 The Customer must pay the Charges to the Company in accordance with the Charges Rules.

12 Rules and other conditions

12.1 The Company must publish the Rules on the Company's web site.

12.2 The parties must comply with:

- (1) the Rules; and
- (2) any other conditions set out in a Rights of Access Certificate.

- 12.3 If a Customer enters into a transaction with respect to the Customer's Rights of Access, the Customer must, if requested by the Company, execute a new Water Delivery Contract and, if the Customer is entitled to any Water Entitlements, a new Water Entitlements Contract.

13 Goods and services tax

- 13.1 In this clause 13:

- (1) **GST** means GST as defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) as amended (**GST Act**) or any replacement or other relevant legislation and regulations;
- (2) unless otherwise defined in the Documents, words and expressions used or defined in the **GST law** (as defined in the GST Act) have the same meaning in the Documents; and
- (3) if GST law treats a supply as mixed supply, any such part of the supply is to be treated as a separate supply.

- 13.2 Unless expressly stated otherwise in the Documents, all monetary amounts under the Documents are exclusive of GST.

- 13.3 If any supply made under or in connection with the Documents is a taxable supply, the consideration to be paid or provided is increased by the amount of any GST payable in respect of that supply and that amount must be paid at the same time and in the same manner as the GST-exclusive consideration is to be paid, provided that a valid tax invoice is delivered to the recipient of the taxable supply.

14 Access to landholding

- 14.1 The Customer acknowledges that the Company has rights to enter land within the Area of Operations under section 120 of the Act.

15 Construction, maintenance repair and closure of works

- 15.1 The Company or the Company's Personnel may install, commission, operate, repair, replace, maintain, remove, extend, expand, connect, disconnect, improve or do any other things that the Company considers are necessary or desirable to any of the Company's Works or construct new Company's Works.

- 15.2 The Company may, after giving reasonable notice (which need not exceed 30 days) to the Customer, close the Company's Supply Works. The Company must publish on the Company's web site reasons for the closure but this is not a condition of the closure taking effect.

- 15.3 If it is reasonably foreseeable that:

- (1) the Company proposes to carry out an act under clause 15.1;
- (2) the act to be carried out is material in nature (and not a general day-to-day activity of the Company); and
- (3) the act will have the effect of requiring the Customer to make significant changes (at the Customer's Cost) to the Customer's Works,

then the Company must give the Customer reasonable notice of the material act the Company proposes to carry out and must give the Customer a reasonable opportunity to raise matters of concern in connection with the proposal. The Company must take into account all legitimate

and reasonable matters raised by the Customer and modify the proposal to the extent the Company considers practical and appropriate (acting reasonably and in good faith) to take account of legitimate and reasonable matters raised by the Customer.

- 15.4 The Company may close any of the Company's Works for maintenance or repairs from time to time. If a proposed closure will adversely affect the delivery of water to the Customer's Landholding, the Company must, where possible, give the Customer reasonable notice of the proposed closure, taking into account the facts and circumstances giving rise to the need to maintain or repair the Company's Works.

16 No contravention of the company's obligations

- 16.1 The Customer must not knowingly do or omit to do anything within their control that may cause a contravention of the Documents, any Licence, or any approval which the Company has been granted under the Act or any relevant Legal Requirement.
- 16.2 Despite any other provision of a Document, the Company is not obliged to do anything that would contravene a Legal Requirement.

17 Subdivision

- 17.1 Where a Customer intends to lodge a plan of subdivision with a Government Agency in respect of a Landholding, or, where no plan of subdivision is required, decides to subdivide a Landholding, the Customer must:
- (1) submit an application to the Company to:
 - (a) allocate the Customer's existing Rights of Access; and
 - (b) where applicable, enter into new contractual arrangements for the newly created Landholdings; and
 - (c) ensure that the subdivision of the Landholding otherwise complies with the Development Rules and the Drainage Use Rules.

18 Damage to company's works

- 18.1 The Customer must ensure that the Customer, the Customer's Associates or livestock owned or under the control of the Customer do not cause any Damage to the Company's Works.
- 18.2 Without limiting the Company's rights under clause 19, if the Customer, or any of the Customer's Associates, damages, destroys or interferes with the Company's Works in contravention of clause 18.1, then the Company may issue a notice to the Customer providing particulars of the damage, destruction or interference and inviting the Customer to show cause why the Company should not hold the Customer responsible.
- 18.3 The Company must give due and proper consideration to the particulars, reasons and information set out in any response from the Customer to a notice issued under clause 18.2, and advise the Customer in writing if the Company accepts that the Customer should not be held responsible for the damage, destruction or interference.
- 18.4 If the Customer has failed to respond to a notice issued under clause 18.2 after 28 days, or if notwithstanding a response from the Customer the Company is reasonably satisfied that the Customer or the Customers Associates are directly or indirectly responsible for the damage, destruction or interference, the Company may:

- (1) require the Customer to pay the cost of the damage, destruction or interference, where such cost will constitute a debt due to the Company on demand; or
 - (2) give notice to the Customer that any further instances of damage, destruction or interference may be treated by the Company as an Event of Default.
- 18.5 Without affecting the Company's rights under clauses 18.1 to 18.4, if the Company determines that, on the basis of available evidence, livestock owned or under the control of the Customer could cause damage to the Company's Works, then the Company may, where it would be detrimental to the Company's Works not to do so, give a notice to the Customer requiring the Customer to construct, maintain and replace a fence in accordance with specifications required by the Company (which must not be unreasonable).
- 18.6 The Customer must, at the Customer's Cost, and in accordance with all relevant laws:
 - (1) comply with any notice given by the Company under clause 18.5 within three months after the notice is received; and
 - (2) ensure that steps are taken in the interim to prevent livestock from causing Damage to the Company's Works.
- 18.7 If the Customer defaults under clause 18.6, the Company or its agents may enter a Landholding and take action to remedy the Customer's default at the Customer's cost as deemed necessary or desirable by the Company, acting reasonably.
- 18.8 Unless stated otherwise, all fences constructed under this clause will be the responsibility of the Customer.

19 Default

- 19.1 An Event of Default occurs if:
 - (1) any money payable by the Customer to the Company remains unpaid for 28 days after the due date for payment;
 - (2) the Customer breaches the terms of an arrangement made to settle outstanding Charges;
 - (3) the Customer repudiates, or commits a material or persistent breach of any of the Documents;
 - (4) the Customer becomes subject to an Insolvency Event;
 - (5) the Customer is not, or ceases to be, the registered proprietor of a Landholding, unless:
 - (a) the Company has approved an application by the Customer to terminate or surrender all of the Customer's Rights of Access associated with the Landholding; or
 - (b) the documents necessary for the Customer to be registered as the registered proprietor of the Landholding with which the Rights of Access are associated have been lodged with the relevant Government Agency and the Customer has not yet been registered as the registered proprietor; or
 - (6) the Customer's existing manner of use of a Landholding (including application of water), in the reasonable opinion of the Company, breaches, or is likely to breach, any Licences held by the Company, the Customer or third parties, or is otherwise a breach of 21.1 of this Contract.

- 19.2 The Customer must not permit an Event of Default to occur.
- 19.3 From the point in time when an Event of Default occurs until the point in time, if any, at which it is remedied (including where an Event of Default has occurred and is not capable of being remedied), to the maximum extent permitted by law, the Company may by giving notice to the Customer do any of the following:
- (1) suspend delivery of water, without any obligation to make up any delay or shortfall in delivery once the Event of Default is remedied;
 - (2) require the Customer to suspend the discharge of Drainage into the Company's Drainage Works, without any liability for the consequences; or
 - (3) suspend the Customer's right to use, terminate, surrender, or otherwise deal with, the Customer's Rights of Access.
- 19.4 Without limiting clause 19.3, if an Event of Default occurs and is incapable of being remedied, or is capable of being remedied but the Customer does not remedy it within 28 days after notice to the Customer requiring it to be remedied, then, to the maximum extent permitted by law, the Company may do any of the following:
- (1) after giving seven days' notice to the Customer, terminate some or all of the Customer's Rights of Access (in which case termination fees will be payable in accordance with clause 3.2); or
 - (2) terminate this Contract by giving two months' notice to the Customer, in which case:
 - (a) the Customer's Rights of Access and any Delivery Entitlements will be terminated;
 - (b) the Company must apply a reasonable estimate of the value of any terminated Delivery Entitlements to the money due for payment by the Customer and pay any surplus to the person entitled to it;
 - (c) the Company may remove or disable any physical connection between the Company's Works and the Customer's Works;
 - (d) the Customer may be required to pay termination fees and disconnection fees in accordance with clauses 3.2 and 3.3;
 - (e) subject to this Contract, upon termination, each party is released from his, her or its obligation to further perform this Contract; and
 - (f) each party retains the rights, remedies and powers he, she or it has in connection with any past breach or any Claim or obligation (including an obligation to pay money) that has arisen before termination.
- 19.5 If the Company exercises a power of sale with respect to a Landholding under the *Conveyancing Act 1919* (NSW) or otherwise, the Customer must deliver possession of the Landholding to the Company within three months after the Company gives notice of its intention to exercise its power of sale.
- 19.6 All Costs reasonably incurred by the Company directly as a result of, or in connection with, an Event of Default, will constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand.
- 19.7 Clauses 19.3, 19.4 and 19.6 are subject to sections 415D, 434J and 451E of the Corporations Act.

20 Termination by the customer

- 20.1 The Customer may apply to the Company in the approved form to terminate this Contract if:
- (1) all of the Customer's Delivery Entitlements have been terminated or surrendered in accordance with the Charges Rules or transferred in accordance with the Transfer Rules;
 - (2) all of the Customer's other Rights of Access have been terminated or surrendered in accordance with the Charges Rules;
 - (3) the Customer has paid all Charges; and
 - (4) the Customer's Water Allocation Account does not have a negative balance.
- 20.2 If the Company receives an application by the Customer that satisfies the requirements of clause 20.1, then:
- (1) the Company will give notice to the Customer that the application has been accepted by the Company;
 - (2) subject to this Contract, upon receipt by the Customer of the notice of the Company's approval, this Contract is terminated and each party is released from his, her or its obligation to further perform this Contract; and
 - (3) each party retains the rights, remedies and powers he, she or it has in connection with any past breach or any Claim or obligation (including an obligation to pay money) that has arisen before termination.

However this clause does not limit the amount the Company may recover from the Customer in any Claim for Charges.
- 21.3 To the maximum extent permitted by law, neither party will be liable to the other party under or in respect of the Documents for any Consequential Loss arising from any cause of action.
- 21.4 If and to the extent that Part 3-2, Division 1, Subdivision B of the Australian Consumer Law ("**Subdivision**") applies to services provided to the Customer under the Documents:
- (1) nothing in this Contract is taken to exclude the operation of the Subdivision in relation to the services; and
 - (2) the Customer agrees that the Company's liability for any breach of the provisions of the Subdivision is limited to the cost of supplying the services again.

- 21.5 To the maximum extent permitted by law, the Customer releases the Company from all Claims (whether in tort [but not including negligence], statute, contract or otherwise) and Losses which the Customer may have.
- 21.6 The Customer indemnifies the Company against all Losses incurred by the Company arising out of or in connection with any death or injury to persons, and any loss or damage to real or personal property, caused by an act or omission of the Customer or its Personnel, although the indemnity is to be reduced proportionally to the extent that the Losses were caused by the Company's negligence or intentional act (except where clauses 21.7, 21.10 or 21.11 apply).
- 21.7 Where Rights of Access are held jointly within the meaning of clause 33, or held pursuant to clause 34.3, each holder of the Right of Access indemnifies the Company against all Claims (including Claims by other holders or other third parties), arising from or in connection with the Company acting on any holder's instructions in a manner contemplated by the Documents.
- 21.8 The Customer acknowledges and agrees that the Customer does not rely on, any statement or representation made, any advice, opinion, warranty, undertaking, promise, estimate, projection or forecast given, or any conduct of any kind engaged in, in relation to:
- (1) the availability or delivery of water, including the time, depth, flow rate or pressure of water;
 - (2) the quality or fitness for any purpose of any water made available or delivered by the Company, including for human or animal consumption, or use in spraying, irrigating crops, food, beverage or ice preparation, :
 - (3) whether or not the water has been filtered, or filtered in any particular way;
 - (4) to the extent permitted by law, the subject matter of the Documents.
- 21.9 The Customer acknowledges and agrees that the Customer is capable of evaluating whether to filter water delivered by the Company, and is responsible for any decision as to whether, when or how to filter that water. The Customer is responsible for Costs of filtering water delivered by the Company and any Loss arising from filtering or not filtering that water.
- 21.10 The Customer acknowledges that from time to time the Company treats the water that it delivers with chemicals including for managing weeds, algae, pests or water quality. After being notified by the Company of such treatment, the Customer takes delivery of that water at the Customer's own risk.
- 21.11 The Company is not liable for any breach of the Documents to the extent that the breach has arisen out of, or the Loss suffered is increased as a result of, any act or omission by on behalf the Company for the purpose (directly or indirectly) of compliance with any Legal Requirement.
- 21.12 The limitations of liability and indemnities under this clause 21 are in addition to any limitations of liability for indemnities available to the Company by law including under the Act.

22 Force majeure

- 22.1 A **Force Majeure Event** means any serious event or circumstance (including (without limitation) a change of law, an Act of God, natural disaster (including flood and drought), water shortages, act of war, act of terrorism, act of vandalism, fire, power surge or failure, pandemic, industrial action, major structural failure of a Work, water supply failure, river interruption or biosecurity breach) which a party did not cause and was unable to prevent or control by taking reasonable steps.
- 22.2 If a party is unable in whole or in part, by reason of a Force Majeure Event to carry out any obligation under the Documents (not including the payment of Charges) and gives the other party immediate notice and particulars of the Force Majeure Event, its impact on that party's

performance and expected duration, then provided that the affected party uses all reasonable diligence to remove and mitigate the impact as quickly as possible, that party's obligations affected by the Force Majeure Event shall be suspended and shall not constitute an Event of Default, but only for as long as the Force Majeure Event continues.

23 Disputes

- 23.1 If a dispute (other than a dispute relating to unpaid Charges) arises between the Customer and the Company, out of or in connection with the Documents, the disputing party must give the other party written notice of the dispute, setting out with reasonable particularity the basis of the dispute (**Notice of Dispute**).
- 23.2 The parties must confer within five Business Days after the Notice of Dispute is given.
- 23.3 Despite the issue of a Notice of Dispute, and the parties' engagement in conferral as per this clause the parties must continue to perform their obligations under the Documents.
- 23.4 If the dispute subject to the Notice of Dispute is not resolved after conferral and/or mediation and the parties have complied with clauses 23.1 and 23.2 in good faith, the parties may commence Court proceedings in relation to the dispute.

24 Privacy

- 24.1 Without limiting the Company's rights, the Customer authorises the Company to collect, use and disclose any information (including personal information of the Customer) in accordance with the Company's Privacy Statement.
- 24.2 In addition to clause 24.1 and in respect of a Single Water Allocation Account, all participants of a Single Water Allocation Account consent to the Company collecting, using and disclosing, or making available to the primary applicant of that Single Water Allocation Account any information (including personal information of each participant of the Single Water Allocation Account) in accordance with the Documents.

25 Time of the essence

- 25.1 Time is of the essence in respect of obligations to pay money or repay water debts or water borrowings under the Documents.

26 Further assurances and obligations

- 26.1 Each party must, at his, her or its own Cost, from time to time, do all things, including executing or producing documents, procuring the execution or production of documents by others or Government Agencies, obtaining and providing consents as the Company may deem necessary or desirable to give full effect to the Documents (including transactions contemplated by the Documents) or so that the Company may comply with a Legal Requirement.
- 26.2 The Customer must comply with a notice by the Company requesting that the Customer provide the Company with information required by the Company to comply with a Legal Requirement. 27 Severability

- 27.1 If anything in the Documents is unenforceable, illegal or void or contravenes the law then it is severed and the rest of the Documents remains in force.
- 27.2 The rights and obligations of each party are not affected by any law that, but for this clause 27.2, would affect those rights and obligations.

28 Variation

- 28.1 This Contract may be varied, amended, supplemented or replaced by agreement between the Company and the Customer.
- 28.2 In addition to its rights under clause 28.1, the Company may, from time to time, without the Customer's prior consent, vary, amend, supplement or replace:

The parties agree to be bound by the variation, amendment, supplementation or replacement.
- 28.3 On or before the date on which the Company gives notice of a variation, amendment, supplementation or replacement under clause 28.2, the Company must publish on the Company's web site an explanation of the variation, amendment, supplementation or replacement but this is not a condition of the notice taking legal effect.

29 Rights, powers and remedies

- 29.1 The rights, powers and remedies of each party in this Contract (including any right of indemnity) are additional to other rights, powers and remedies independently given by law. A party may exercise or enforce a right, power or remedy (including giving or withholding approval or consent) entirely at his, her or its discretion, unless the Documents specifically state otherwise.
- 29.2 If a party does not exercise a right, power or remedy fully, or at a given time, the party may still exercise it later. Waiver of a right, power or remedy is effective only in respect of the specific instance to which it relates and for the specific purpose for which it is given.
- 29.3 The parties acknowledge and agree that:
- (1) monetary damages may not be a sufficient remedy for breach of the Documents; and
 - (2) in addition to any other remedy that may be available at law or in equity, each party is entitled to seek interim, interlocutory or permanent injunctions or any combination of them to prevent a breach and to compel specific performance of the Documents.

conveyance, assignment, transfer or other document entered into for the purpose of implementing any transaction contemplated by the Documents.

30.2 Each indemnity in the Documents survives the expiry or termination of this Contract. A party may enforce a right of indemnity at any time, including before he, she or it has suffered Loss.

30.3 Clauses 14, 15 18, and 21 survive the expiry or termination of this Contract.

31 Costs

31.1 Each party must pay his, her or its own Costs connected with the negotiation, preparation and execution of the Documents.

- 35.3 The Company does not give advice to the Customer about the Documents or anything connected with the subject matter of the Documents.
