- 8.5 Subject to the Documents, the Company must use its reasonable endeavours to deliver water ordered under clause 8.4 in accordance with the Access and Ordering Rules, provided that the Company is satisfied that it will have sufficient water flows available to fulfil all approved water orders placed by holders of Delivery Entitlements exercising rights under clause 1.1(22)(a) of their respective Water Delivery Contracts in the relevant part of the Company's Supply Works during the relevant period.
- 8.6 If the Company determines that it is under no obligation to deliver water on the basis of clause 8.2(1), the Company must publish on the Company's web site reasons for its determination but this is not a condition of the determination taking legal effect.
- 8.7 Despite anything to the contrary, nothing in this Contract entitles the Customer to any Water Entitlements.

---

**9 Use of water**

- 9.1 The Customer must not take water from the Company's Supply Works:
- (1) if there is an Event of Default subsisting; or
  - (2) otherwise than in accordance with the Documents.
- 9.2 The Customer must use water delivered under this Contract only on and within the boundaries of a Landholding and only for activities that are consistent with a use approved by the Company, all relevant Licences and all other relevant Legal Requirements.

---

**10 Measurement of water usage**

- 10.1 The delivery of water by the Company to a Landholding must, where required by the Company, be measured by a Meter which must be installed and commissioned in accordance with the Company's design requirements.
- 10.2 The Company may, at any time, on reasonable notice to the Customer, enter a Landholding to install, commission, operate, repair, replace, maintain or improve a Meter on the Landholding to the reasonable satisfaction of, and complying with the standards specified by, the Company.
- 10.3 Title to a Meter installed and commissioned by the Company (and property in it) remains solely with the Company.
- 10.4 Where a Meter is installed and commissioned by the Customer, with the approval of the Company, title to the Meter (and property in it):
- (1) remains solely with the Customer until it is installed and commissioned to the satisfaction of the Company; and
  - (2) passes from the Customer to the Company with effect from installation and commissioning.
- 10.5 The Company must use its reasonable endeavours to maintain the Meter in good repair and condition in accordance with any standards specified by the Company. The Company may, after giving notice to the Customer, enter a Landholding for that purpose.
- 10.6 The Company may, at such intervals as it determines:
- (1) take and record readings from the Meter; or
  - (2) require the Customer to take and record readings from the Meter.
- 10.7 The volume of water delivered by the Company as registered by the Meter will be taken to be conclusive evidence and proof of the volume of water actually delivered unless the Company determines, on reasonable grounds, that a materially different volume was delivered.
- 10.8 The Customer must take all reasonable steps to ensure the safekeeping of a Meter on a Landholding and must not prevent access by the Company or the Company's Personnel to the Meter.
- 10.9 The Customer must not interfere with, alter or remove, or allow interference, alteration or removal of, a Meter without the prior consent of the Company.

10.10 If the Customer becomes aware that:

- (1) a person has interfered with, altered or removed a Meter without the prior consent of the Company; or
- (2) a Meter has been damaged or is otherwise not operating correctly;

the Customer must immediately notify the Company of such interference, alteration, removal, damage or incorrect operation.

10.11 All Costs reasonably incurred by the Company or the Company's Personnel in:

- (1) investigating the taking or use of water by the Customer not measured by a Meter;
- (2) measuring or estimating the volume of water taken by the Customer not measured by a Meter;
- (3) purchasing, installing, commissioning or improving a Meter;
- (4) repairing any Damage to a Meter; or
- (5) replacing a Meter that does not comply with the standards specified by the Company;

will, to the extent that the Costs are incurred as a result of, or in connection with, the wilful misconduct of the Customer or the Customer's Associates or Personnel, constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand.

## 11 Deemed delivery of water

11.1 The Customer acknowledges that destroying, damaging, interfering with, or depositing anything in any of the Company's Works or taking water from the Company's Works without the authority of the Company is an offence under Part 3 of Chapter 7 of the Act.

11.2 The Customer must not take water from the Company's Works except by ordering it for delivery from the Company in accordance with the Documents or otherwise with the Company's consent.

11.3 Where:

- (1) there is no Meter or other instrument measuring delivery of water which has been approved by the Company for the purposes of assessing relevant Charges payable by the Customer;
- (2) in the opinion of the Company, the Meter is measuring incorrectly, not operating properly or not operating;
- (3) in the opinion of the Company, water has been taken by, or delivered to, the Customer without having been ordered for delivery under the Documents; or
- (4) in the opinion of the Company, more water has been taken by, or delivered to, the Customer than the Customer has ordered under the Documents,

the Company may determine the volume of water taken by, or delivered to, the Customer (**Unmeasured Water**) using any reasonable means it considers fit.

11.4 The Company's determination of the volume of Unmeasured Water will be taken to be the actual volume of Unmeasured Water, unless the Customer appeals under clause 11.5.

11.5 The Company must give to the Customer notice of its determination of the volume of Unmeasured Water. The Customer has the right to appeal the Company's decision by giving notice of the appeal to the Company (setting out particulars of, reasons for and information in support of, the Customer's appeal) within 14 days after the notice of the Company's determination is given to the Customer. If the Customer gives the Company notice of an appeal in accordance with this clause, the Company must:

- (1) examine and give due and proper consideration to the particulars, reasons and information set out in the notice of the appeal; and
- (2) make a determination regarding the Customer's appeal within 28 days after receipt of the notice of the appeal and give the Customer notice of the determination, including reasons.

If the Customer's appeal is upheld, the Company must vary or amend its notice of determination of the volume of Unmeasured Water.

11.6 If the Company makes a determination under clause 11.3, or a varied or amended determination under clause 11.5, then, without limiting the Company's rights under clause 11.3:

- (1) the Company may debit a volume of Water Allocation from the Customer's Water Allocation Account equal to the volume of Unmeasured Water;
- (2) if the Customer has less Water Allocation in his, her or its Water Allocation Account than the volume of Unmeasured Water, the Company may do one or both of the following:
  - (a) require the Customer to pay to the Company an amount determined by the Company which constitutes a reasonable estimate of the market value of the volume of Unmeasured Water that is not debited under clause 11.6(1); or
  - (b) put the Customer's Water Allocation Account into a negative balance; and
- (3) the Customer must pay to the Company an amount determined by the Company which constitutes a reasonable estimate of the Charges payable for delivery of the Unmeasured Water.

## **12 Drainage**

12.1 The Customer may only discharge Drainage into the Company's Drainage Works in accordance with the conditions set out in a Rights of Access Certificate and in accordance with the Rules.

---

## **13 Charges**

13.1 The Customer must pay the Charges to the Company. The Charges must be paid in full, irrespective of whether the Company delivers any water in any Water Year.

13.2 The Company must notify the Customer of the date by which Charges are due for payment. The Customer must pay the Charges to the Company by the date specified in the notice (or a later date determined by the Company) and by one of the methods specified in the notice.

13.3 The Customer's obligation to pay any Charges is not affected:

- (1) by a failure to receive a notice;
- (2) by virtue of the fact that a notice is addressed to the wrong person for any reason; or
- (3) by virtue of the fact that a notice is not addressed to the Customer;

unless it is established to the reasonable satisfaction of the Company that such failure is due to the neglect or default of the Company, in which case:

- (4) payment of the Charges is not due until the Customer receives a notice from the Company setting out the date by which those Charges are due for payment; and
  - (5) the Company may not charge interest under clause 13.5 on the Charges to be paid by the Customer until the expiry of the due date for payment under clause 13.3(4).
- 13.4 All payments by the Customer must be made without deduction or withholding (including set-off, counterclaim, duty, tax or charge).
- 13.5 The Company may charge interest on any Charges due from the Customer from the date on which those amounts respectively fell due for payment until they are paid. The rate of interest to apply will be the rate of interest set by section 356 of the Act, unless the Company determines that a lower rate of interest is to apply. This rate of interest applies to all Charges and not just those referred to in section 356 of the Act.

---

## **14 Rules and other conditions**

- 14.1 The Company must publish the Rules on the Company's web site. The Rules may be varied, amended, supplemented or replaced from time to time in accordance with clause 37.
- 14.2 The parties must comply with:
- (1) the Rules; and
  - (2) any other conditions set out in a Rights of Access Certificate.
- 14.3 To the extent that there is an inconsistency between a provision in any of the documents specified in clause 14.3(2) and another provision in any of them or between a provision in any of those documents and a provision in another of those documents:
- (1) a specific provision takes precedence over a general provision; and
  - (2) otherwise, to the extent necessary to resolve the inconsistency, the following order of precedence applies:
    - (a) any other conditions set out in a Rights of Access Certificate;
    - (b) this Contract; and
    - (c) the Rules.
- 14.4 If a Customer enters into a transaction with respect to the Customer's Rights of Access, the Customer must, if requested by the Company, execute a new Water Delivery Contract and, if the Customer is entitled to any Water Entitlements, a new Water Entitlements Contract.

---

## **15 Replacement of certificates**

- 15.1 If any certificate issued under clause 6 is out-of-date, worn out or defaced, the Company may, upon production to it of the certificate together with an application by the Customer in the approved form, order it to be cancelled and issue, after receipt of the out-of-date, worn out or defaced certificate, a new certificate in its place.

- 15.2 If:
- (1) the Customer makes an application to the Company in the approved form;
  - (2) satisfactory evidence is received by the Company that any certificate issued under clause 6 has been stolen, lost or destroyed and has not been pledged, sold or otherwise disposed of;
  - (3) an indemnity and undertaking which the Company thinks adequate is given; and
  - (4) any other steps (including advertising) which the Company thinks necessary are taken,
- a new certificate must be issued to the Customer entitled to the stolen, lost or destroyed certificate within 20 Business Days after those conditions are satisfied.
- 15.3 The Company may charge a fee for each new certificate issued under this clause 15.

## 16 Goods and services tax

- 16.1 In this clause 16:
- (1) **GST** means GST as defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) as amended (**GST Act**) or any replacement or other relevant legislation and regulations;
  - (2) words or expressions used in this clause which have a particular meaning in the **GST law** (as defined in the GST Act, and also including any applicable legislative determinations and Australian Taxation Office public rulings) have the same meaning, unless the context otherwise requires;
  - (3) any reference to GST payable by a party includes any corresponding GST payable by the representative member of any GST group of which that party is a member;
  - (4) any reference to an input tax credit entitlement by a party includes any corresponding input tax credit entitlement by the representative member of any GST group of which that party is a member; and
  - (5) if the GST law treats part of a supply as a separate supply for the purpose of determining whether GST is payable on that part of the supply or for the purpose of determining the tax period to which that part of the supply is attributable, such part of the supply is to be treated as a separate supply.
- 16.2 Unless GST is expressly included, the consideration to be paid or provided under any other clause of the Documents for any supply made under or in connection with the Documents does not include GST.
- 16.3 To the extent that any supply made under or in connection with the Documents is a taxable supply, the GST-exclusive consideration otherwise to be paid or provided for that taxable supply is increased by the amount of any GST payable in respect of that taxable supply and that amount must be paid at the same time and in the same manner as the GST-exclusive consideration is otherwise to be paid or provided. A party's right to payment under this clause is subject to a valid tax invoice being delivered to the recipient of the taxable supply.
- 16.4 To the extent that one party is required to reimburse or indemnify another party for a Loss incurred by that other party, that Loss does not include any amount in respect of GST for which that other party is entitled to claim an input tax credit.

**17 Access to landholding**

- 17.1 The Customer acknowledges that the Company has rights to enter land within the Area of Operations under section 120 of the Act.

---

**18 Closure of company's supply works**

- 18.1 The Company may, one or more times each Water Year, after giving reasonable notice (which need not exceed 30 days) to the Customer, close the Company's Supply Works.
- 18.2 If the Company closes the whole or any part of the Company's Supply Works other than for maintenance or repairs, the Company must publish on the Company's web site reasons for the closure but this is not a condition of the closure taking effect. Where possible, the Company must give the Customer reasonable notice prior to the closure, taking into account the circumstances giving rise to the need to close the Company's Supply Works.

---

**19 Construction, maintenance and repair of works**

- 19.1 The Customer must not cause any Damage to the Company's Works.
- 19.2 The Customer must:
- (1) notify the Company of leaks, damage, malfunctions, blockages or changes to the quality of water in the Company's Works that are observed by the Customer; and
  - (2) at the Customer's Cost, ensure that all of the Customer's Works connected to the Company's Works are properly cleaned and maintained where it would be detrimental to the Company or other customers not to do so.
- 19.3 Where it would be detrimental to the Company or other customers not to do so, the Customer must, in accordance with any relevant Legal Requirements, construct, alter, remove or improve (or procure, in accordance with any relevant Legal Requirements, approval, construction, alteration, removal or improvement of) any of the Customer's Works as deemed necessary or desirable by the Company, acting reasonably, and notified by the Company to the Customer. The Customer must discharge his, her or its obligations under this clause within a reasonable period and, in any event, within one month, after the Company gives notice.
- 19.4 If the Customer defaults under clause 19.2 or 19.3, the Company or the Company's Personnel may enter a Landholding and clean, maintain, construct, alter, remove or improve the Customer's Works as deemed necessary or desirable by the Company, acting reasonably.
- 19.5 The Company or the Company's Personnel may install, commission, operate, repair, replace, maintain, remove, extend, expand, connect, disconnect, improve or do any other things that the Company considers are necessary or desirable to any of the Company's Works or construct new Company's Works.
- 19.6 If it is reasonably foreseeable that:
- (1) the Company proposes to carry out an act under clause 19.5;
  - (2) the act to be carried out is material in nature (and not a general day-to-day activity of the Company); and
  - (3) the act will have the effect of requiring the Customer to make significant changes (at the Customer's Cost) to the Customer's Works,

then the Company must give the Customer reasonable notice of the material act the Company proposes to carry out and must give the Customer a reasonable opportunity to raise matters of concern in connection with the proposal. The Company must take into account all legitimate and reasonable matters raised by the Customer and modify the proposal to the extent the Company considers practical and appropriate (acting reasonably and in good faith) to take account of legitimate and reasonable matters raised by the Customer.

19.7 The Company may enter a Landholding in connection with an act referred to in clause 19.5, and, for these purposes, carry out any work on, below or above the surface of the Landholding. The Company's rights under this clause 19.7 are subject to all obligations, qualifications, restrictions and limitations that apply to the Company's powers under paragraph 120(1)(a) of the Act.

19.8 If the Customer defaults under clause 19.2 or 19.3, all Costs reasonably incurred by the Company or the Company's Personnel in:

- (1) entering a Landholding and cleaning, maintaining, constructing, altering, removing or improving the Customer's Works as deemed necessary or desirable by the Company; and
- (2) installing, commissioning, operating, repairing, replacing, maintaining, removing, extending, expanding, connecting, disconnecting, improving or doing any other thing that the Company considers necessary or desirable to any of the Company's Works, or in constructing new Company's Works, in connection with a Landholding, but only to the extent that this arises out of the Customer or the Customer's Associates or Personnel threatening, hindering, obstructing or delaying any person in the exercise of the Company's rights under clause 19.4;

will constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand.

19.9 The Company may close any of the Company's Works for maintenance or repairs from time to time. If a proposed closure will adversely affect the delivery of water to the Customer's Landholding, the Company must, where possible, give the Customer reasonable notice of the proposed closure, taking into account the facts and circumstances giving rise to the need to maintain or repair the Company's Works.

---

## **20 Construction or planting on or near company's land or works**

20.1 The Customer must not, without the Company's prior consent, undertake any construction work, construct anything, or plant any trees, plants or crops:

- (1) on the Company's land; or
- (2) on land adjacent to the Company's land or the Company's Works otherwise than in accordance with the Development Rules.

---

## **21 No contravention of the company's obligations**

21.1 The Customer must not knowingly do or omit to do anything within their control that may cause a contravention of the Documents, any Licence, including the Company's Licences or any Licence under which the Customer is entitled to receive water, any approval which the Company has been granted under the Act or any relevant Legal Requirement.

21.2 Despite any other provision of a Document, the Company is not obliged to do anything that would contravene a Legal Requirement.

---

## **22 Customer to provide information**

- 22.1 The Customer must comply with a notice by the Company requesting that the Customer provide the Company with information required by the Company to comply with a Legal Requirement. The notice must give the Customer at least 45 days to comply except where the Company determines that it is necessary to require compliance within a lesser period in order for the Company to comply with the Company's obligations under a Legal Requirement, in which case the Company may require compliance within the lesser period.

---

## **23 Subdivision**

- 23.1 The Customer must not:
- (1) lodge a plan of subdivision of a Landholding or other document outlining a proposal to subdivide a Landholding with a Government Agency; or
  - (2) where no plan of subdivision needs to be lodged, decide to subdivide a Landholding;
- without:
- (3) submitting an application to the Company to:
    - (a) allocate the Customer's Rights of Access between the properties created by the subdivision; or
    - (b) enter into new contractual arrangements so that the properties created by the subdivision may receive delivery of water from alternative nominated Supply Works; and
  - (4) the Company's prior consent, which may be subject to conditions determined by the Company, including conditions requiring the Customer to carry out works at his, her or its own Cost.
- 23.2 If the Customer submits an application under clause 23.1(3)(a), the Company may determine a new allocation of the Customer's Rights of Access either in accordance with the Customer's application or as differently determined by the Company.
- 23.3 If the Company determines a new allocation of Rights of Access under clause 23.2 in respect of any one or more of the properties created by the subdivision, those properties become Landholdings and the Customer must, if required by the Company:
- (1) enter into a new Water Delivery Contract; and
  - (2) where the Customer holds Water Entitlements, enter into a new Water Entitlements Contract.
- 23.4 In respect of subdivisions carried out for the purpose of change of land use to urban, rural residential or industrial purposes, the Company may refuse to determine a new allocation of Rights of Access in respect of any one or more of the properties created by the subdivision, or impose other conditions on any new contract for any one or more of the properties.
- 23.5 If the Customer submits an application under clause 23.1(3)(b) and the Company, at its discretion, accepts the application, the Customer must enter into, and procure that any relevant third parties enter into, any new contractual arrangements determined by the Company in connection with the properties created by the subdivision receiving delivery of water from alternative nominated Supply Works.

- 23.6 All reasonable Costs incurred by the Company or the Company's Personnel in:
- (1) entering a Landholding and cleaning, maintaining, constructing, altering, removing or improving the relevant Customer's Works as deemed necessary or desirable by the Company, acting reasonably; or
  - (2) installing, commissioning, operating, repairing, replacing, maintaining, removing, extending, expanding, connecting, disconnecting, improving or doing any other thing that the Company considers necessary or desirable to any of the Company's Works or any Meter, or in constructing new Company's Works, or in installing and commissioning any new Meters;

in connection with any subdivision of the Landholding will constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand.

- 23.7 If, under clause 23.2 or clause 23.4, any Rights of Access are not allocated to a Landholding, the Customer must, within 20 Business Days after the Company's determination, either:
- (1) apply to the Company in accordance with the Documents to transfer those Rights of Access; or
  - (2) apply to the Company in accordance with the Documents to terminate those Rights of Access.

## 24 Livestock damage to company's works

- 24.1 In this clause 24:
- (1) **former Irrigation Areas** means the areas comprising the former Yanco No 1 and the Mirrool No 1 Irrigation Areas constituted under the former *Irrigation Act 1912* (NSW); and
  - (2) **former Irrigation Districts** means the areas comprising the former Benerembah, Wah Wah and Tabbita Domestic and Stock Water Supply and Irrigation Districts constituted under the former *Water Act 1912* (NSW).
- 24.2 The Customer must ensure that livestock owned or under the control of the Customer or any of the Customer's Associates do not cause any Damage to the Company's Works.
- 24.3 If the Company determines that, on the basis of available evidence, there are livestock on a Landholding owned or occupied by a Customer and there is a possibility that those livestock could cause damage to the Company's Works, then the Company may, where it would be detrimental to the Company's Works not to do so, give a notice to the Customer requiring the Customer to construct, maintain and replace a fence in accordance with specifications required by the Company (which must not be unreasonable) on any part of the Landholding adjoining the Company's Works.
- 24.4 The Customer must, at the Customer's Cost, and in accordance with all relevant laws, comply with any notice given by the Company under clause 24.3 within three months after the notice is received.
- 24.5 If the Customer defaults under clause 24.4, the Company may enter, or may procure another person to enter, a Landholding and take action to remedy the Customer's default at the Customer's cost as deemed necessary or desirable by the Company, acting reasonably.
- 24.6 If livestock owned by or under the control of the Customer or any of the Customer's Associates causes Damage to any of the Company's Works, the Company may issue a warning to the Customer that it holds the Customer responsible for such Damage and provide an opportunity for the Customer to show cause why the Company should not hold the Customer responsible.

- 24.7 If, after the Customer has responded under clause 24.6, the Company is reasonably satisfied that neither the Customer nor any of the Customer's Associates is directly or indirectly responsible for the Damage, the Company must give the Customer notice that it does not hold the Customer responsible for the Damage.
- 24.8 If, after the Customer has responded under clause 24.6, the Company is reasonably satisfied that either the Customer or any of the Customer's Associates is directly or indirectly responsible for the Damage, the Company may:
- (1) require the Customer to pay the Cost of the Damage to the Company's Works and this Cost will constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand; or
  - (2) give the Customer notice that, if there are any subsequent occasions of Damage:
    - (a) if the Landholding is in the former Irrigation Areas: the Customer may be required to meet half of the Cost to fence the boundary of the Landholding and the Company's adjacent land with the Company meeting the remaining half of the Cost;
    - (b) if the Landholding is in the former Irrigation Districts: the Company may fence the Company's Works from the remainder of the Landholding at the Cost of the Company; or
    - (c) any further Damage by livestock from the Landholding to the Company's Works may result in the suspension or cancellation of any water deliveries to the Landholding, in addition to claims for recovery of the Company's reasonable Cost of repairing Damage caused.
- 24.9 Unless stated otherwise, all fences constructed under this clause will in future be the responsibility of the Customer.

---

## **25 Other damage to company's works**

- 25.1 This clause 25 does not limit, or apply to Damage referred to in, clause 24.
- 25.2 The Customer must not, and must procure that the Customer's Associates do not, cause any Damage to the Company's Works.
- 25.3 If the Customer, or any of the Customer's Associates, causes Damage referred to in clause 25.2 to the Company's Works, the Company may issue a warning to the Customer that it holds the Customer responsible for such Damage and provide an opportunity for the Customer to show cause why the Company should not hold the Customer responsible.
- 25.4 If, after the Customer has responded under clause 25.3, the Company is reasonably satisfied that neither the Customer nor any of the Customer's Associates is directly or indirectly responsible for the Damage, the Company must give the Customer notice that it does not hold the Customer responsible for the Damage.
- 25.5 If, after the Customer has responded under clause 25.3, the Company is reasonably satisfied that either the Customer or any of the Customer's Associates is directly or indirectly responsible for the Damage, the Company may:
- (1) require the Customer to pay the Cost of the Damage to the Company's Works and this Cost will constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand; or
  - (2) give the Customer notice that any subsequent occasions of Damage to the Company's Works may result in the suspension or cancellation of any water deliveries to the

adjacent Landholding, in addition to a Claim for recovery of the reasonable cost of repairing the Damage.

## **26 Default**

26.1 An Event of Default occurs if:

- (1) any money payable by the Customer to the Company or any of its Related Bodies Corporate, including money payable under any of the Documents, the Charges Rules or otherwise, remains unpaid for 28 days after the due date for payment even if no formal or legal demand has been made;

- (8) the Customer no longer holds any Delivery Entitlements; or
- (9) no Water Allocation is delivered to a Landholding under this Contract and in accordance with the Access and Ordering Rules for a period of at least 36 consecutive months, provided that, at any time after the first 24 consecutive months the Company gives the Customer at least 12 months' notice that this Event of Default will occur at the expiry of the period of the notice and no Water Allocation is delivered to the Landholding under this Contract and in accordance with the Access and Ordering Rules during the period of the notice.

26.2 The Customer must not permit an Event of Default to occur.

26.3 If an Event of Default occurs, then, to the maximum extent permitted by law, the Company may do any, some or all of the following:

- (2) immediately by giving notice to the Customer, require the Customer to suspend the discharge of Drainage into the Company's Drainage Works, until the Event of Default is remedied, without any liability for the consequences, including flooding; or

- (3) immediately by giving notice to the Customer, suspend the Customer's right to use, transfer, terminate, surrender, or otherwise deal with, the Customer's Rights of Access, until the Event of Default is remedied.
- 26.4 Without limiting clause 26.3, if an Event of Default occurs and either the Event of Default is not capable of being remedied, or the Event of Default is capable of being remedied and the Customer does not remedy the Event of Default within 28 days after notice to the Customer requiring it to be remedied, then, to the maximum extent permitted by law, the Company may do any, some or all of the following:
- (1) after giving seven days' notice to the Customer, terminate some or all of the Customer's Rights of Access (in which case termination fees will be payable in accordance with clause 4.2(1)); or
- (2) terminate this Contract by giving two months' notice to the Customer, in which case:
- (a) the Customer's Rights of Access will be terminated unless they are transferred, in accordance with the Transfer and Conversion Rules, within two months after the date of the notice;
- (b) the Company must apply a reasonable estimate of the value of the terminated Rights of Access to the money due for payment by the Customer under any of the Documents or otherwise and pay any surplus to the person entitled to it;
- (c) the Company may remove or disable any physical connection between the Company's Works and the Customer's Works;
- (d) the Customer may be required to pay termination fees and disconnection fees in accordance with clause 4.2;

- 26.6 If the Company exercises a power of sale with respect to a Landholding under the *Conveyancing Act 1919* (NSW) or clause 28 or 44 of this Contract, the Customer must deliver possession of the Landholding to the Company within three months after the Company gives notice of its intention to exercise its power of sale.
- 26.7 All reasonable Costs incurred by the Company directly as a result of, or in connection with, an Event of Default, including remedying an Event of Default, will constitute a debt due from the Customer to the Company that must be paid by the Customer to the Company on demand.
- 26.8 Despite anything else in this Contract, the Company may, by giving notice to the Customer, terminate this Contract with immediate effect if the Customer no longer holds any Delivery Entitlements.
- 26.9 If the Company gives the Customer a notice of termination under clause 26.8, then:
- (1) the Customer's Rights of Access will be terminated;

- (2) the Company must apply a reasonable estimate of the value of the terminated Rights of Access to the money due for payment by the Customer under any of the Documents or otherwise and pay any surplus to the person entitled to it;
- (3) the Company may remove or disable any physical connection between the Company's Works and the Customer's Works;

## **28 Power of attorney**

- 28.1 For the purposes of this clause 28, the Company has only the powers set out in clause 28.2. The Customer irrevocably appoints the Company to be his, her or its attorney, for valuable consideration (including in consideration for the Company entering into this Contract), until this Contract is terminated.
- 28.2 The Company may do in the name of the Customer, and on his, her or its behalf, everything necessary or expedient, in the Company's sole discretion, to sell a Landholding by public auction or private treaty (and convey or transfer it to a purchaser) to recover Charges that are

a charge on the Landholding in favour of the Company under section 355 of the Act if those Charges have remained unpaid for more than three years from the date on which they originally became payable. The Company must take reasonable steps to notify the Customer of the Company's intention to sell the Landholding. If, before the Landholding is sold, all of the relevant Charges are paid to the Company or an arrangement satisfactory to the Company for payment of all of the relevant Charges is entered into by the Customer, the Company must not proceed with the sale. The purchase money for land sold under this clause 28 must be paid to the Company. The Company must apply any purchase money received by it, first, towards the expenses of the Company incurred in connection with the sale and, secondly, towards the relevant Charges. Any balance of the purchase money must be paid to the persons having estates or interests in the Landholding immediately before the sale accordingly to their respective estates and interests. The Company may pay the balance of the purchase money or any part of the balance to or among the persons who are, in its opinion, clearly entitled to it, and the receipt of the person to whom the payment is so made is an effectual discharge to the Company for it.

- 28.3 The Company may exercise its powers under this clause 28:
- (1) in its own name or in the name of the Customer; and
  - (2) even if it benefits from the exercise of the power.
- 28.4 The Customer declares that all acts and things done by the Company in exercising powers under this clause 28 will be as good and valid as if they had been done by the Customer and agrees to ratify and confirm whatever the Company does in exercising its powers under this clause 28.
- 28.5 If the Company requests, the Customer must execute a power of attorney to give effect to the appointment under this clause 28, appointing the Company as the Customer's attorney and conferring on the Company the rights and powers set out in this clause 28.
- 28.6 The appointment under this clause 28 is exclusive and the Company has authority to represent the Customer to the exclusion of the Customer. The Customer is not permitted to interfere with the Company's exercise of its rights as attorney.
- 28.7 The Customer indemnifies the Company against any Loss incurred by the Company in reliance on its power under this clause 28, except to the extent that the Loss is due to the Company's negligence.

- (6) from time to time the Company treats water the Company makes available or delivers with chemicals including for the purposes of controlling weeds, algae or pests, or managing water quality and the Company may offer the treated water referred to in this clause 29.5(6) to the Customer after having notified the Customer that the water is treated and the Customer takes delivery of that water at his, her or its own risk.

29.6 The Company is not liable for any breach of the Documents to the extent that the breach has arisen out of, or the Loss suffered is increased as a result of, any act or omission by or on behalf

of the Company that is for the purpose (directly or indirectly) of compliance with any Legal Requirement.

29.7 The Customer indemnifies the Company against all Losses incurred by the Company arising directly or indirectly as a result of or in connection with:

- (1) any death or injury to persons, and any loss or damage to the real or personal property of the Company or a third party, caused by any act or omission of the Customer or its Personnel; or
