

WATER DELIVERY TECHNICIAN – TRAINEES, Griffith and Leeton NSW

Do you want to develop highly sought-after skills and gain experience in a business leading the way in the agricultural/water sectors?

We are searching for highly motivated individuals to undertake a traineeship with our Water Delivery Team. This traineeship (2 years) provides the opportunity to build skills in operating water delivery infrastructure, control systems (SCADA) and technical maintenance so that we can provide the water delivery services our customers want, in the best way.

The array of skills learnt in this traineeship will provide options for career paths in multiple industries.

As a successful applicant, you will have a strong desire to be part of a team whose performance supports successful farming enterprises and a vibrant community. You will have a thirst for learning, good computer skills and a 'C' class Driver Licence. We will support you with both on-the-job and formal training, including Water Operations (Cert III). A Higher School Certificate and an aptitude for technology are desirable. Mature aged trainees are encouraged to apply.

Applications should include a Murrumbidgee Irrigation application form and current resume, with a cover letter addressing how you meet the following:

- I understand the importance of safety in the workplace
- I can work in teams to achieve a common goal
- I can deliver excellent customer service and support
- I have an aptitude for technology

For general application information, please contact Karen Robertson (HR Officer) on 02 6962 0200. For specific position enquiries, contact Lindsay Golsby-Smith (Senior Coordinator - Water Delivery) on 02 6962 0200.

Applications close: Friday 26 February 2021
